

SIRVIS AGENT INTRODUCTION

WHAT IS SIRVIS?

Sirvis is a brand new app that helps people discover, hire, pay, review and rate every kind of service provider in their own neighbourhood. Sirvis is by far the most comprehensive services app available - offering access to absolutely every kind of consumer service from plumbers to math tutors, sport coaches to gardeners, beauty therapists to builders, and everything in between.

Whatever it is that needs to get done, with Sirvis it's sorted!

WHAT IS A SIRVIS AGENCY?

Sirvis uses an agent network to build our service provider network. Service providers (we call them Sirvis Pro's) are businesses and individuals that offer paid for services in their communities. A Sirvis Pro can be a moonlighter using their skills to earn extra cash, an entrepreneur just starting out or a growing small business.

As a Sirvis Agent your job is to sign up, train and manage your network of Sirvis Pros.

WHAT'S IN IT FOR YOU?

You get to be your own boss and build a lucrative, sustainable small business that earns good money from managing people.

HOW IT WORKS...

When someone pays a Sirvis Pro in your network, you get a share of that invoice. Plus, you get a share of each Sirvis Pro's monthly subscription fee.

WHAT'S MY EARNING POTENTIAL?

Let's say you sign up two Sirvis Pros per day:

21 working days x 2 = 42 sign-ups per month

After one, two and three years the number of active Sirvis Pros in your business could be:

	12 Months	24 Months	36 Months
Your Active SPs	500+	1,000+	1,500+

* Excludes estimated SP drop-off rate of approximately 15% per annum

Agents earn up to 30% commission on subscription fees and receive up to 30% revenue share when Sirvis collects commission on each Sirvis Pro payment.

No of Active SPs	500+	1,000+	1,500+
Potential Earnings Per Month	R25,000+	R60,000+	R100,000+
Potential Earnings Per Year (Pre-Tax)	R300,000+	R720,000+	R1,200,000+

Assumptions:

Each Sirvis Pro gets 12 bookings from the Sirvis app per month
Minimum invoice value of R400 (ex VAT)
All Sirvis Pro's pay R299 per month subscription fee.
Revenue before expenses and taxes
